## **Workshop: from the Materials2030Manifesto towards a Strategic Agenda for advanced materials**

*Date and time: 11 January 2023, 10:00 - 15:00*

*Venue: online via [Webex](#) + onsite for EC colleagues (Room 05/A066)*

### **Background**

During the last meeting of the Expert Group on Advanced Materials on 5 October 2022, it was agreed that there is a need to get more insights on ongoing work of the Advanced Materials Initiative (AMI) and their plans towards the development of a Strategic Agenda for advanced materials.

Therefore, the aim of this half-day workshop is to present the AMI work and gain support from national stakeholders for the challenges, objectives, and actions of the strategic agenda.

For background information please see the [Materials 2030 Roadmap](#) published on the [AMI2030 website](#).
